Here are the final PRIA 4 Tables. I have incorporated the following changes:

- I have incorporated the DfE footnote for category M011
- In each of the PRIA categories where we had two fees – one for before 1/1/17 and one for after -- there is now just one fee (the after 1/1/17 fee)
- I included a 20% increase in the fees for R230 and R260 since both have corresponding reduced-risk categories but I had previously omitted the price increase (per discussion with Phil)
